

BaseBulk

Product specification

Melatonin 1 mg tablets, 11mm Round

Food supplement

For a better sleep. Melatonin helps reduce the time necessary for falling asleep. The positive effect is achieved by taking 1mg of melatonin before bedtime.

1000 tablets

Net weight: 550 g

Ingredients: bulking agents: microcrystalline cellulose, calcium carbonate; anti-caking agents: magnesium stearate, silicon dioxide; coating: polyvinyl alcohol; melatonin.

Ingredients	1 tablet
Melatonin	1mg

Use: for adults 1 tablet per day before bedtime.

Store in a place inaccessible to children! Do not exceed the recommended daily dose! Store in original package, in a dry place, at room temperature! Do not use the food supplement as a replacement for a healthy and balanced diet!

Not recommended during pregnancy, for breastfeeding mothers, for people with autoimmune diseases, as well as for children. Drivers should use it with caution, as the tablets may cause drowsiness and slow down the reaction speed.

Manufactured: In European Union
