

## CERTIFICATE OF ANALYSIS

|                           |   |
|---------------------------|---|
| <b>Product Name:</b>      | Magnesium Citrate (Trimagnesium Dicitrate), Anhydrous |
| <b>Country of Origin</b>  | China   |
| <b>Batch Number:</b>      | 17220105  |
| <b>Manufacture Date:</b>  | 05.01.2022  |
| <b>Best Before:</b>       | 04.06.2027  |
| <b>Storage Conditions</b> | Cool, dry place                                       |

### Physical & Chemical Characteristics

| Analysis Item               | Specification             | Result                    |
|-----------------------------|---------------------------|---------------------------|
| Appearance                  | White or yellowish powder | White or yellowish powder |
| Taste / Odor                | Odourless                 | Odourless                 |
| Loss on Drying              | -                         | 2.0%                      |
| pH                          | -                         | 8.4                       |
| Sulphate                    | -                         | 0.1%                      |
| Magnesium                   | -                         | 15.1%                     |
| Heavy Metals                | -                         | 0.0002%                   |
| Arsenic                     | -                         | 0.0001%                   |
